Watch

Week 4: "What Now?"

Discuss

1) Think back to the last three weeks. In your own words, how would you describe the roles of God, man, and Jesus in the gospel?

2) How should someone respond to hearing the gospel message?

3) As a group, take turns presenting the gospel in your own words.

4) During the last week, what opportunities did you have where you could have shared the gospel?

5) How can you be intentional about finding opportunities to share the gospel going forward?

Pray

Who in your life do you want to share the gospel with? Share with the group so that they may be praying for you.

Share other prayer requests that you may have, and then close your discussion with a time of prayer. Pray that you have the opportunity and the boldness to share the gospel with those around you.
